a study of David

- Trials are not the result of God's disfavor
(Psalm 59.4,9-10)
- God isn't to blame for evil, He's the solution!
(Psalm 52.1-7)

A heart that trusts God thinks correctly about trials

- Understands that experiencing fear is not a lack of faith (Psalm 56.3,8; 142.1-4)
- Finds in God the remedy (Psalm 56.11; 142.5-6)

A heart that trusts God thinks correctly about fear

- Knows that he is not strong enough
(Psalm 142.6; 54.1-5)
- Believes in deliverance before deliverance occurs
(Psalm 59.16ff; 52.8-9; 142.7; 54.7; 34.19-21)

A heart that trusts God thinks correctly about the solution
